Ed "Breadzy" Henry

ED

I really don't know it just happened
I have apologized and I mean it

ME

Well Ed, I just found out about this
yesterday.
And why didn't you tell me the truth when I
asked you more than once if you'd cheated
on me?
Because you were into Jennifer for many
years. Before you met me and after you met
me.

ED

I don't know
U were always coming after me always
And I didn't want to get into it
Like I said I am sorry

ME

I see what you're saying but we were doing
really well I thought in 2017
Probably the best year of our relationship
And I gave you the same type of sexual
activity..bdsM type stuff
That you and her did
